P-SERIES

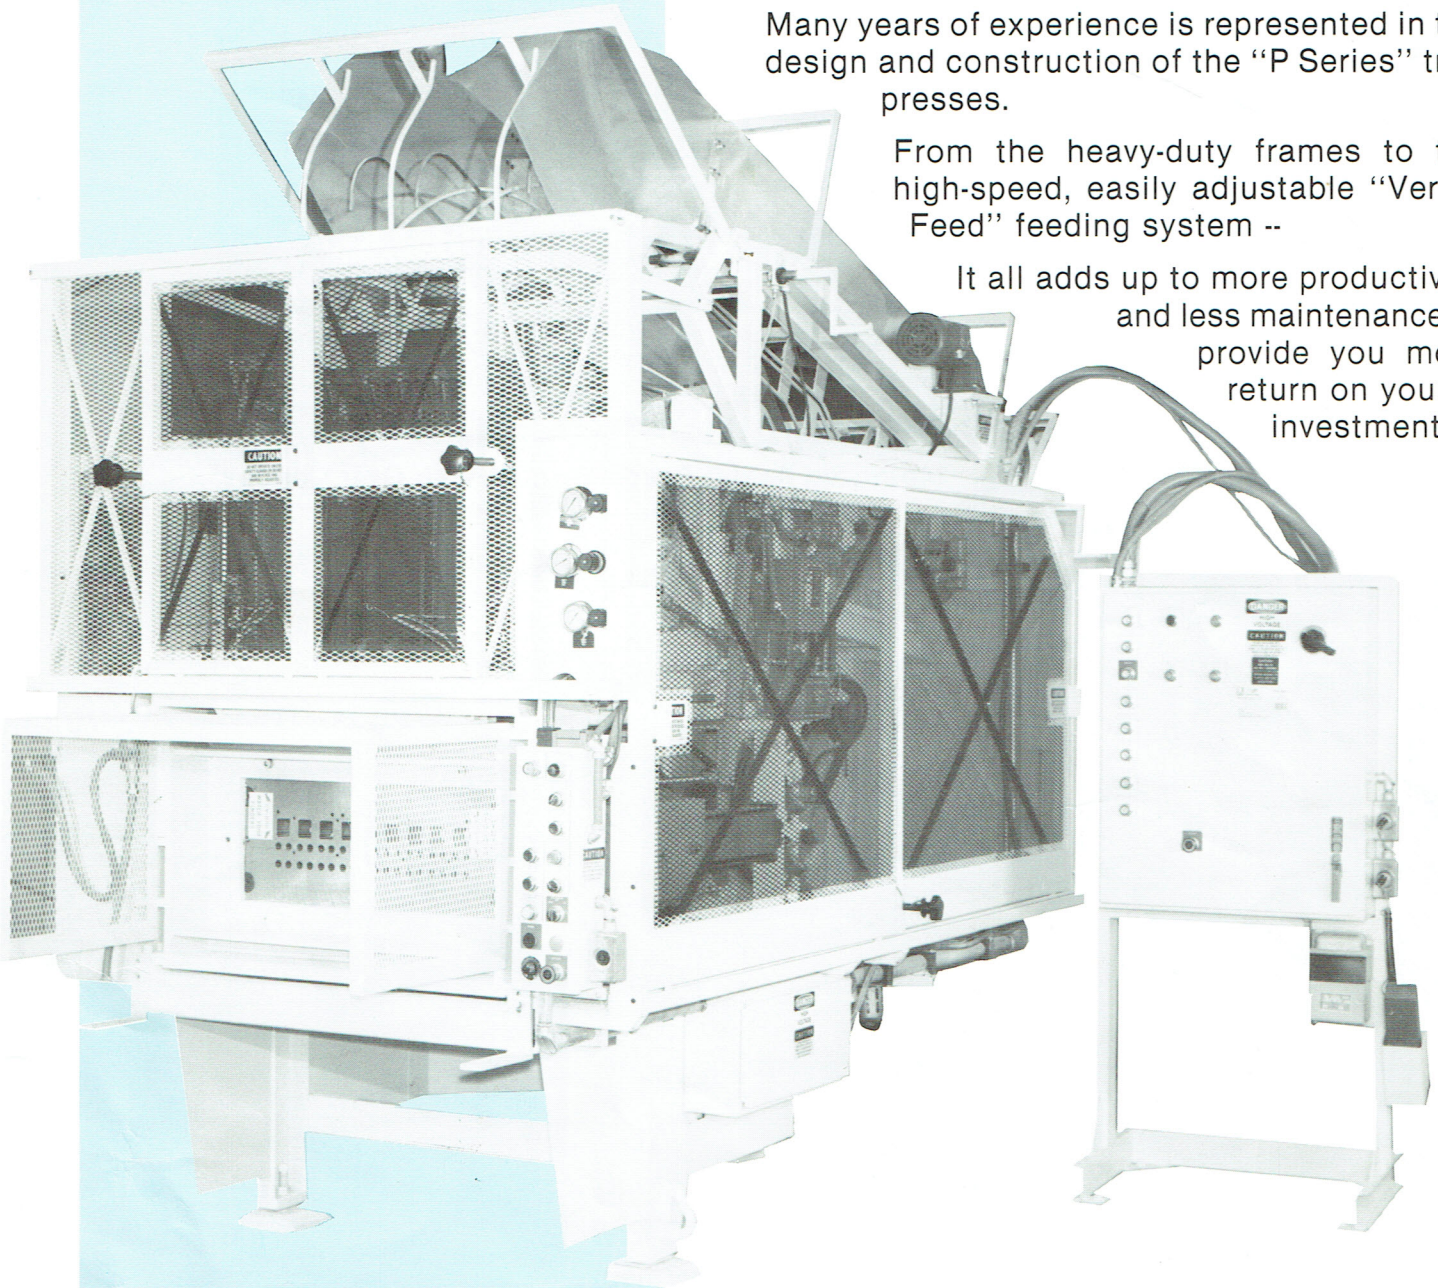
TRIM PRESSES
FOR THE PLASTICS INDUSTRY

Again Lyle Industries offers you the most for your equipment dollar.

Many years of experience is represented in the design and construction of the "P Series" trim presses.

From the heavy-duty frames to the high-speed, easily adjustable "Versa-Feed" feeding system --

It all adds up to more productivity and less maintenance to provide you more return on your investment.



SERIES

P	SINGLE CRANK
P2	DUAL CRANK
P-HS	HIGH SPEED
